

BOOKS FOR KIDS DAY

Event & Sponsorship Opportunities

Books for Kids Day is the Maryland Book Bank's annual book collection event, where we collect donations of books of all kinds from our community to support our programming and prepare for the busy summer and fall back to school season.

We invite members from the community to start their book drives to collect books of all kinds for donation to Books For Kids Day on Saturday, June 3rd between 9am-2pm.

This high visibility opportunity for Baltimore's young people and businesses to shine is just around the corner.

Will you join us?
